Designed by Suzanne Tucker for Michael Taylor Designs, the Riviera Collection features a unique combination of teak and handwoven easy-care resin wicker, dyed to mimic the random colorations of real wicker. The seating pieces have an aluminum substrate frame, powder coated to offer protection and to with-stand various weather conditions. The Riviera Teak Collection is available unfinished, oiled and premium teak finishes.

Cushions are quick drying and equipped with tabs for easy attachment. Cushions are mildew resistant, but should be kept indoors in inclement weather.

Individually fitted rain covers are available for all Michael Taylor Designs' Outdoor Collections.
